

Membership Directory Questionnaire

For JEA Members

Jordan Exporters Association is conducting a general survey of its membership, as part of our efforts of continuous improvement to serve our members. This survey is important to ensure that we have up-to-date contact details and the most updated information about your business. The information obtained will be used to update our members' profile as well as to develop the **2009-2010 Membership Directory** which aims at better promoting your company internationally. The Membership Directory will be available on-line on JEA's new website and will represent an important advertising and promotion vehicle for reaching the global business community.

To take advantage of this valuable opportunity, please take a few minutes to complete the following questionnaire.
